Brighton 'Bombers' vs Glenelg 'Seahawks'

This year the East Torrens Payneham Lacrosse Club are privileged to host the Lacrosse SA Men's Grand Final's, but to make this a flawless day we need the help of our members, players and families. There are a number of areas where you can help, such as help behind the bar or in the canteen for an hour, or to help mark out grounds and move equipment, or sell raffle tickets. If you can spare any of your time this Saturday it will be very much appreciated, and will help secure our club for a successful season 2005. Please contact the Club Secretary Scott Gill as soon as possible to arrange being added to the roster.
